

SELECTING YOUR PHOTOGRAPHER

The selection of your wedding photographer is a very important decision you will make concerning your wedding day. Your wedding day is one of the most important days of your life and proper planning is necessary to make it the best it can be. After the wedding your photographs will help you relive the fun and excitement of that wonderful day.

QUALITY

It is our goal to produce the best quality portraits to preserve your wedding memories. You can expect the best in quality, professionalism, and creativity because we know that your satisfaction is the single-most important goal we wish to achieve.

Photojournalism

While we typically provide the formal posed portraits that most brides expect, we also cover your wedding events as they happen in a more candid way. These 'photojournalistic' portraits are typically unposed, yet creatively captured to show the day as it actually happens. In this way you get a mix of a large variety of portraits from your wedding day.

TO RESERVE YOUR WEDDING DATE

To reserve your wedding date you must come in to the studio and fill out a wedding contract. At that time we will work out all the details of your wedding coverage. We will also discuss package selections.

You will be required to pay a **nonrefundable fee of \$150.00** at the signing of the contract. This fee includes a total of up to four hours of time except for entry-level plans. Additional time is billed at **\$50.00** per half-hour. This time should be discussed prior to the wedding day. **Your wedding plan must be paid in full by the date of the wedding.**

Taking your bridal portrait prior to the wedding date catches you at your best. You will be relaxed and we can work at a more leisurely pace to produce an heirloom print for you to enjoy for years to come. You may also decide to display a large print at your wedding reception that is custom framed and prepared. If so, easels are available for a deposit of \$25.00. If the easel is returned late or damaged the fee will be forfeited.

We know that you will spend a great deal of time in careful preparations for your wedding, and we hope this pamphlet is some help to you in planning your special event. If, however, you would like to discuss any aspect of your upcoming wedding with us, please do not hesitate to call. We would be more than happy to talk with you.
